Habib Metro Modaraba - 70% holding

Habib Metro Modaraba (HMM) which is a perpetual, multi-purpose modaraba having its registered office at 3rd Floor, Al-Manzoor Building, II Chundrigar Road, Karachi. HMM's primary business activities are residual value car financing and provision of finance for solar power solutions on the basis of Ijarah / rental / musharka or any

other approved modes of financing. The holding company and the Modaraba Management Company own 60% and 10% of the certificates of HMM respectively.

2. BASIS OF PRESENTATION

2.1 These consolidated condensed interim financial statements represent separate financial statements of the Group. The financial statements of the holding company and its subsidiary companies are being separately issued.

2.2 Statement of Compliance

These consolidated condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:

- International Accounting Standard (IAS) 34 "Interim Financial Reporting" issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Act, 2017;
- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan (ICAP), as are notified under the Companies Act, 2017;
- Provisions of and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017; and
- Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP) from time to time.

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of the IAS 34 or IFAS, requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives shall prevail.

The SBP vide BSD Circular No. 10, dated 26 August 2002 has deferred the applicability of International Accounting Standard (IAS) 39 "Financial Instruments: Recognition and Measurement" and IAS 40 "Investment Property" for banking companies till further instructions. Further, according to a notification of the Securities and Exchange Commission of Pakistan (SECP) through S.R.O. No. 411 (1) / 2008 dated 28 April 2008, IFRS 7 "Financial Instruments: Disclosures" has not been made applicable for banks. Accordingly, the requirements of these standards have not been considered in the preparation of these consolidated condensed interim financial statements. However, investments have been classified and valued in accordance with the requirements of various circulars issued by the SBP.

The Securities and Exchange Commission of Pakistan (SECP) has notified Islamic Financial Accounting Standard (IFAS) 3, 'Profit and Loss Sharing on Deposits' issued by the Institute of Chartered Accountants of Pakistan. IFAS 3 shall be followed with effect from the financial periods beginning on or after 1 January 2014 in respect of accounting for transactions relating to 'Profit and Loss Sharing on Deposits' as defined by the said standard. The standard has resulted in certain new disclosures in the financial statements of the Bank. The SBP through BPRD Circular Letter No. 4 dated 25 February 2015, has deferred the applicability of IFAS 3 till further instructions and prescribed the Banks to prepare their annual and periodical financial statements as per existing prescribed formats issued vide BPRD Circular 2 of 2018, as ammended from time to time.

The disclosures made in these consolidated condensed interim financial statements have been based on a format prescribed by the SBP vide BPRD Circular Letter No. 5 dated 22 March 2019 and IAS 34, Interim Financial Reporting. They do not include all the disclosures required for annual financial statements, and these consolidated condensed interim financial statements should be read in conjunction with the audited consolidated financial statements of the Group for the year ended 31 December 2021.

3. SIGNIFICANT ACCOUNTING POLICY

The significant accounting policies and method of computation adopted in the preparation of these consolidated condensed interim financial statements are consistent with those applied in the preparation of the audited consolidated financial statements of the Group for the year ended 31 December 2021 except for the change explained in note 3.1 to these consolidated condensed interim financial statements.

3.1 Revaluation of Land and Building

With effect from 30 June 2022, the group has voluntarily changed its accounting policy for land and buildings (freehold and leasehold) from the cost model to the revaluation model, as permitted under IAS 16 Property, Plant and Equipment' (IAS16). On adoption, these are carried at a revalued amount less accumulated depreciation and accumulated impairment losses (if any), which previously were carried at cost less accumulated depreciation and accumulated impairment losses (if any). The impact of the change in accounting policy has been disclosed in note 11.3.

The management believes that the new accounting policy will result in the financial statements providing more relevant information and a more realistic reflection of the values of these assets.

The change has been dealt in accordance with the requirements of IAS 16, and accordingly, the group has applied the accounting policy prospectively.

Fixed assets other than land and buildings are carried in accordance with the accounting policy consistent to those applied in the preparation of consolidated financial statements for the year ended 31 December 2021.

In view of the above, the revised accounting policy of the group for Properties and Equipment is as follows:

Fixed assets are stated at cost, except for land and buildings which are carried at revalued amounts, less any applicable accumulated depreciation and accumulated impairment losses (if any). Land and capital work-in progress are not depreciated. Other items included in fixed assets are depreciated over their expected useful lives using the straight-line method. Depreciation on additions is charged from the day on which the assets are available for use and up to the day in which the assets are disposed off. The useful lives and depreciation methods are reviewed and adjusted, if appropriate, at each statement of financial position date.

Land and buildings are revalued by independent professionally qualified valuers with sufficient regularity to ensure that their net carrying amount does not differ materially from their fair value. If an asset's carrying value increases as a result of revaluation, such increase or surplus arising on revaluation is credited to the surplus on revaluation of land and building account. If an asset's carrying amount is decreased as a result of a revaluation, the decrease shall be recognised in profit or loss. However, if the increase reverses a deficit on the same asset previously recognized in the profit and loss account, such an increase is also recognized in the profit and loss account to the extent of the previous deficit and thereafter in the surplus on the revaluation of land and building account.

In the case of revalued assets, any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the net asset and the net amount restated at the revalued amount of the asset. Surplus on revaluation of land and building (net of any associated deferred tax) to the extent of the incremental depreciation charged on the related assets is transferred to unappropriated profit.

Surplus on revaluation (net of any deferred tax) realized on disposal of land and building is transferred directly to unappropriated profit.

3.2 Amendments to existing accounting and reporting standards that have become effective in the current period

There are certain amendments to existing accounting and reporting standards that have become applicable to the Group for accounting periods beginning on or after 01 January 2022. These are considered either not to be relevant or not to have any significant impact on these condensed interim consolidated financial statements.

3.3 New standards and amendments to existing accounting and reporting standards that are not yet effective

As per the SBP's BPRD Circular Letter no. 03 dated 05 July 2022, the applicability of IFRS 9, Financial Instruments has been deferred to accounting periods beginning on or after 01 January 2023. Certain requirements of this standard will be applicable from 01 January 2024. The impact of the application of IFRS 9 on the group's financial statements is being assessed.

There are various amendments to existing accounting and reporting standards that are not yet effective. These are not likely to have a material effect on the group's financial statements.

4. CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The basis for accounting estimates adopted in the preparation of these consolidated condensed interim financial statements are the same as that applied in the preparation of the audited consolidated financial statements for the year ended 31 December 2021.

5. RISK MANAGEMENT

The risk management policies adopted by the Group are consistent with those disclosed in the audited consolidated financial statements for the year ended 31 December 2021.

10.4.3 Consideration of forced sales value (FSV) for the purposes of provisioning against non-performing loans

In accordance with BSD Circular No. 1 of 21 October 2011 issued by the SBP, the holding company has availed the benefit of Forced Sale Value (FSV) of collateral against non-performing loans and advances. Had this benefit of FSV not been taken by the Bank, the specific provision against non-performing advances would have been higher by Rs. 301,137 thousand (31 December 2021: Rs. 208,257 thousand) and profit after tax would have been lower by Rs. 153,580 thousand (31 December 2021: Rs. 127,036 thousand). This amount of Rs.153,580 thousand (31 December 2021: Rs. 127,036 thousand) is not available for distribution of cash and stock dividend to the shareholders and bonus to employees.

18.1 Provision against off-balance sheet obligations		
Opening balance	32,583	113,716
Reversal for the period / year	-	(81,133)
Closing balance	32,583	32,583

The above represents provision against certain letters of credit and guarantee.

18.2 Under the Workers' Welfare Ordinance 1971, the holding company is liable to pay workers' welfare fund (WWF) @ 2% of accounting profit before tax or taxable income, whichever is higher. The holding company has made full provision for WWF based on profit for the respective years.

The Supreme Court of Pakistan vide its order dated 10 November 2016 has held that the amendments made in the law introduced by the Federal Government for the levy of WWF were not lawful. The Federal Board of Revenue has filed review petitions against this order which are currently pending.

Legal advice obtained on the matter indicates that consequent to filing of these review petitions the judgement may not currently be treated as conclusive. Accordingly the holding company maintains its provision in respect of WWE.

20.2.2 Commitments in respect of forward lendings

The Group has made commitments to extend credit in the normal course of its business, but none of these commitments are irrevocable and do not attract any penalty if the facility is unilaterally withdrawn, except for:

Foreign exchang	ge repatriation case	20.3.2	106,056	106,056
			2,341,964	3,078,218

20.3.1 These mainly represent counter claims by borrowers for damages. Based on legal advice and internal assessments, management is confident that the matters will be decided in the Group's favour and the possibility of any adverse outcome is remote. Accordingly, no provision has been made in these consolidated financial statements.

20.3.2 Foreign exchange repatriation case

While adjudicating Foreign Exchange repatriation cases of exporters, the Foreign Exchange Adjudicating Court of the State Bank of Pakistan has adjudicated penalty of Rs. 106,056 thousand, arbitrarily on the holding company. The holding company has filed appeals before the Appellate Board and Constitutional Petitions in the Honorable High Court of Sindh against the said judgement. The Honorable High Court has granted relief to holding company by way of interim orders. Based on merits of the appeals management is confident that these appeals shall be decided in favor of the holding company and therefore, no provision has been made against the impugned penalty.

21. DERIVATIVE FINANCIAL INSTRUMENTS

The holding company deals in derivative financial instruments namely forward foreign exchange contracts and foreign currency swaps with the principal view of hedging the risks arising from its trade business.

As per the holding company's policy, these contracts are reported on their fair value at the statement of financial position date. The gains and losses from revaluation of these contracts are included under "income from dealing in foreign currencies". Unrealised mark to market gains and losses on these contracts are recorded on the statement of financial position under "other assets / other liabilities".

These products are offered to the holding company's customers to protect from unfavourable movements in foreign currencies. The holding company hedges such exposures in the inter-bank foreign exchange market.

These positions are reviewed on a regular basis by the holding company's Asset and Liability Committee (ALCO).

	30.1 Fair value of financial assets			

Income tax assessments of the holding company have been finalised up to the tax year 2021 (corresponding to the accounting year ended 31 December 2020). Certain appeals are pending with the Commissioner of Inland Revenue (Appeal), Appellate Tribunal Inland Revenue (ATIR) and Sindh High Court. However, adequate provisions are being held by the holding company.

31. BASIC AND DILUTED EARNINGS PER SHARE

Profit attributable to equity shareholders of the holding company	6,615,107	6,270,186
	——— Number	in '000 ———
Weighted average number of ordinary shares	1,047,831	1,047,831
	Rupe	es —
Basic and diluted earnings per share	6.31	5.98

32. FAIR VALUE MEASUREMENTS

The fair value of quoted securities other than those classified as held to maturity, is based on quoted market price. Quoted securities classified as held to maturity are carried at cost. The fair value of unquoted equity securities is determined on the basis of the break-up value of these investments as per their latest available audited financial statements.

The fair value of unquoted debt securities, fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments.

The fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since they are either short-term in nature or, in the case of customer advances, deposits and certain long term borrowings are frequently repriced.

32.1 Fair value of financial assets

The Group measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

- Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liabilities, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: Fair value measurements using input for the assets or liabilities that are not based on observable market data (i.e. unobservable inputs).

00 1.... 0000 (II.. 4...14...1)

The table below analyses financial instruments measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorised:

32.3 Valuation techniques used in determination of fair valuation of financial instruments within level 2

Federal government debt securities	The fair value of government securities are valued using PKRV rates.
Debt securities other than federal government securities	The fair value is determined using the prices / rates available on Mutual Funds Association of Pakistan (MUFAP) / Reuters.
Forward contracts	The fair values are derived using forward exchange rates applicable to their respective remaining maturities.
Mutual funds	The fair value is determined based on the net asset values published at the close of each business day.

Valuation techniques used in determination of fair values of non-financial assets within level 3

Fixed assets and non-banking assets acquired in satisfaction of claim	Fixed assets and non-banking assets are valued by professionally qualified valuators. The valuation is based on their assessment of the market value of the assets. In determining the valuation for land and building the valuer refers to numerous independent market inquiries from local estate agents / realtors in the vicinity to establish the present market value. The fair valuation of land and building are considered to represent a level 3 valuation based on significant non-observable inputs being the location and condition of the assets. The fair value is subject to change owing to changes in input. However, management does not expect there to be a material sensitivity to the fair value arising from the non-observable inputs.
